# Our Recent Addition to Grand Pacific Resorts is A Real "Retreat"

If you've ever longed to escape into a tranquil mountain setting with babbling brooks, beautiful forests and endless wildlife, Mountain Retreat is the place.

This recent addition to the Grand Pacific Resort Management family rests 4500 feet up in the Sierra Mountains in the quaint historic mining town of Arnold, California. Located in the heart of California's Gold Country, just a few miles from Big Trees State Park, and surrounded by the area's finest golfing, The Sequoia Woods Golf Course, this resort is a "hidden gem".

Mountain Retreat, an RCI Gold Crown resort, offers a myriad of activities to partake in such as award-winning wineries (try the zinfandel!), open air concerts and all things outdoors - hiking, kayaking, rock climbing, trout fishing, boating, and even panning for gold!

For all you winter enthusiasts, Bear Valley Ski Resort is just down the road and there are an abundance of cross-country ski trails and snowmobile parks. Mountain Retreat has a little something for everyone including wood burning fireplaces just perfect to curl up with a book.

We are excited to have Mountain Retreat part of the Grand Pacific Resort Management family of resorts and look forward to taking this resort to new heights.

## Impact of Week 53

Once every five or six years the timeshare use week calendar makes a little shift that can throw unsuspecting Owners a curve in their vacation planning. Please take a good look at the enclosed use week calendar to ensure you know when your week starts for 2012 and 2013!

If you own consecutive weeks in different buildings, for the year 2012, you will have special challenges that may make your weeks fall a week apart or put both of your weeks together in the same week. If this impacts you, we urge you to contact our Owner Services team so they can assist you in finding a solution. Call 888-477-6967.

## The New Carlsbad Inn

If it's been a while since your last visit to the resort, you will be surprised to see what has really become the new Carlsbad Inn. The Lobby and Library updates were completed by the end of last summer. All of the Oak condos received new paint, trim, furniture, carpet and draperies, with work completed last October. By now most of our Owners have seen and experienced the benefits of the renovation efforts.

The central courtyard received a major overhaul this last spring and the change is dramatic! The addition of a large patio with two fire pits and a fountain is certainly a major improvement in looks and how it changes the atmosphere of the area. Throughout the summer, it was great to see families mingling in a renewed community setting, sharing and enjoying each others company gathered around the new fire pits after sunset.

In addition, nearly all the existing plant material was removed and replaced

with a completely new landscape theme. The tall bushes have been replaced with lower shrubs that open up views and add light to first floor units. Iron fences gave way to glass walls that make it possible to see the ocean from all locations around the center of the resort. The side benefit is that all the new plantings are water wise and will require less frequent replacements to cut back on annual expenses.

# O Canada!

## Grand Pacific Resort Management's Newest Resort at Panorama

Nestled in the Canadian Rockies within the Panorama Mountain Village, we welcome our newest resort property, Panorama in British Columbia.

Panorama Mountain Village is in a locale rich with rugged natural beauty and wildlife. Approximately three-and-a-half hours southwest of Calgary and close to Banff and Kootenay National Parks, this spectacular 53-unit property is perfectly situated for visitors to enjoy the outdoors all year long. Surrounded by creeks, lakes, forests, and mountains, the resort offers an ongoing abundance of seasonal outdoor activities – many of them right on site. Well known for being an excellent ski mountain, Panorama boasts North America's longest vertical descents and the largest slope-side hot pools in all of Canada.

In winter months, choose from on-site downhill, cross-country, and heli-skiing. Strap on the snowshoes and hike

in the woods. Summertime offers golf, tennis, horseback riding, rafting, hiking, cycling, nearby hot springs, and ATV excursions right outside your door.

In addition, there are pools, hot tubs, saunas, pubs, shops, restaurants, as well as special events for families and children.

And after a fun-filled day in the fresh air, stock up at the on-site general store, prepare a family dinner in the fully equipped kitchen and relax in front of your own roaring fireplace.

Grand Pacific Resort Management (GPRM) is honored to be Panorama's management company, and we look forward to serving our new family members in Panorama, Canada.

## The New Carlsbad Inn

*(Continued from page 1)*

Through the last year, Elm condo Owners have been able to view a renovated Oak condo during their visits and the popular question is often, "when is it our turn?" It's coming soon; we will start in January and expect to have all 60 condos complete by mid February!

Condo bathrooms were not part of the plan for the initial renovation; however, are part of our follow-up plan with Elm bathrooms to be completed in January of 2013 and Oak bathrooms in January of 2014.

Throughout all of the work, we have enjoyed collecting your input and learning from your feedback. It has been our pleasure to be a part of building the new Carlsbad Inn and we're glad to have our Owners playing an active part in the process!
